

English Radical Alliance

Introduction.

Hello, and thank you for your interest in joining the English Radical Alliance. Upon completing the form, please forward with your payment of £12 (cheque or postal order made payable to English Radical Alliance) – to this address:

Mr. Les Taylor,
ERA Membership Secretary,
P.O. Box 291
Runcorn WA7 9AT

Unlike most political parties, ERA membership is a “two stage” process. Everyone joins initially at **associate/basic** level. This enables us to bring you up to speed with our core beliefs and policies, and hopefully from there you will decide to study and progress towards **full/advanced** membership.

There is no compulsion to become a “full/advanced” member, unless you wish to become an official within the Party.

Personal development training in the form of public speaking and political debate tuition will be offered to associate members who wish to progress towards advanced membership, in the belief that they will prove to be good, confident ambassadors for the Party and England.

No electronic copy of this application will be stored, and the original will be properly filed at a private address, thus ensuring as far as possible that the applicant’s personal details will remain secret.

Ethnicity, religion and sexuality are not issues within the ERA, and you will not be asked to divulge this information.
